Dear Mr. Turner:

On behalf of Coachella Valley Economic Partnership (CVEP) thank you for your recent presentation to the Legislative Committee regarding the proposed stand-by power plant to be located in the north-western Coachella Valley.

As you know, CVEP serves its membership — including the nine cities of the Coachella Valley, the County of Riverside and about 130 private businesses — by working to attract business to the region as well as to assist existing businesses with expansion. As was demonstrated by the action taken by the Legislative Committee and the subsequent action by the Executive Committee, CVEP is in support of your project.

CVEP believes that a reliable supply of power — which includes back-up power — is a key component of sustainable economic growth. Additionally, your sensitivity to our quality of life in the Coachella Valley is evidenced by your application of the most current technology to ensure that the environmental impact of the project is minimized.

Sincerely,

John M. Soulliere  
President/CEO
