**Subject:** HECA air district hearing

Please docket this privately recorded audio file of the San Joaquin Valley Air Pollution Control District hearing on the HECA PDOC held in Bakersfield at the Air District Office on April 2, 2013. This audio file contains the public comment portion of the meeting. These public comments should be made available to CEC staff and the commissioners.

The air district did not record the meeting but were aware of this recording being made during the meeting.
