**Response Of Energy Commission Staff
To Applicant's Supplemental Comments On
The Presiding Member's Proposed Decision**

During the November 2, 2010 Committee Conference on the Presiding Member's Proposed Decision (PMPD), the Applicant for the CPV Sentinel Energy Project (Applicant) agreed to provide proposed revisions to the text of the Traffic and Transportation section of the PMPD in order to ensure that the text of the PMPD is consistent with the evidence in the proceeding and the proposed findings and Conditions of Certification contained in the PMPD. On November 4, 2010, the Applicant submitted the proposed revisions. Staff has reviewed the revisions and believes that they accurately reflect the record. Therefore, we recommend that they be included in errata considered by the full California Energy Commission as it makes a determination on the project at the December 1, 2010 Business Meeting.

Date: November 5, 2010

Respectfully submitted,

/S/
