Pursuant to the November 8, 2013 Memorandum from Hearing Officer Celli, Opening Briefs are now due November 20, and Rebuttal Briefs are due November 27, 2013. However, as stated at the pre-hearing conference, and again at the evidentiary hearings, the briefing deadlines were set with the assumption that transcripts from the evidentiary hearings would be provided within 3 days. To date, the transcript for the first day of evidentiary hearings on Monday, October 28 has not been provided—17 days (13 business days) later. The transcript from the second day of evidentiary hearings on Tuesday October 29 was provided on November 5—7 days (5 business days) after the hearings. While we appreciate the initial extension of the briefing deadlines, in light of the fact that the transcript from the first day of hearings is still not available, the Center respectfully requests that the briefing deadlines be continued at least 4 days—with opening briefs due on Friday, November 26, and rebuttal briefs due on Friday, December 4, 2013.

Respectfully submitted,

Date: November 14, 2013
