RE: The Ivanpah Solar Electric Generating System – 07-AFC-05
Application for Confidential Designation: Cultural Resources

Dear Mr. Blevins:

Pursuant to Title 20 California Code of Regulations (CCR) Sections 2501 *et seq.* Solar Partners I, LLC, Solar Partners II, LLC, Solar Partners VIII, LLC, and Solar Partners IV, LLC (the "Applicant") hereby submit this "Application for Confidential Designation," for their Ivanpah Solar Electric Generating System, for cultural resources.

Volume 1 and Volume 2: Confidential Cultural Resource Appendices (CHRIS Reports) were submitted with our original Application for Confidential Designation on August 31, 2007, which was returned for lack of Docket Number, though no Docket Number had yet been assigned to the project by the Commission at that time. This new Application includes the documents from our original filing, as well as a document titled Attachment CR1-b: Ivanpah/Lake Quad Reports.

Per our conversations with Fernando Deleon, I am submitting the Application and confidential material directly to you without docketing at the Docket Unit. Enclosed are twelve copies plus an original of this request and five copies of the confidential information it concerns. Please feel free to contact me at (916) 447-2166 should you have any questions or require additional information. Thank you for your consideration of our request.

Sincerely,

Jeffery D. Harris
