Subject: Briefs for Air Quality and Greenhouse Gases

Expedited transcripts were requested from California Reporting. We expect have them by Wednesday 11/27/13.

Regarding the Air Quality briefs, the Committee is satisfied with the state of the record on Air Quality and therefore finds that briefs are not necessary. Nevertheless, the Committee will accept Opening Briefs only on the limited topic of Air Quality (including Greenhouse Gases) by or before 12/2/13. The Committee will not accept rebuttal briefs on Air Quality.
