PROPOSED NEW POWER PLANT IN THE CITY OF GRAND TERRACE, COUNTY OF
SAN BERNARDINO

Dear Chairperson Salgado Sr.:

Your name was provided to the California Energy Commission (Energy Commission) by the Native American Heritage Commission as a representative of a Native American community who might be interested in the proposed construction and operation of a power plant in the City of Grand Terrace.

The Energy Commission has jurisdiction over the proposed project and has received an application for a permit to build and operate the Highgrove Power Plant, of approximately 300 megawatts, in the City of Grand Terrace, County of San Bernardino. You will receive, if you have not already received, specific information about the proposed power plant from the project applicant. Information about the project can also be viewed on the Energy Commission website at <http://www.energy.ca.gov/sitingcases/index.html>.

Please review the information you receive from the project applicant, and if you have concerns regarding cultural resources that could potentially be affected by the proposed power plant and related facilities, please contact Dorothy Torres (916-653-3992), Fax: (916) 651-8868; E-mail: dtorres@energy.state.ca.us. You may also call the Commission's Public Adviser, Margret J. Kim, toll-free at 1-800-822-6228, for assistance in participating in the Energy Commission's review of the proposed project.

The cultural resources staff welcomes your comments. We will be holding workshops and hearings over the coming months on the project and our assessment. You will be notified in advance about times, locations and the topics for each of these events.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul R. Richins".
