The Center requests the opportunity to cross-examine Staff and Applicant witnesses on all topic areas in dispute and to cross-examine witnesses presented by other Intervenors. The Center anticipates that cross-examination will require no more than 30 minutes per witness and in most cases far less.

As an initial matter, the Center anticipates that the scope of cross-examination will include at least the following:

**Biological Resources:** CEC Staff, CDFG staff, FWS staff, BLM staff, Applicant witnesses, and witnesses presented by other Intervenors regarding assessment of impacts to biological resources and appropriate avoidance, minimization, and mitigation strategies.

**Water Resources, Soils, Air Quality:** CEC Staff, BLM Staff, Applicant witnesses regarding the basis for Staff's conclusions on the impacts to water resources
