**Re: IVANPAH SOLAR ELECTRIC GENERATING SYSTEM**

**(Docket Number 07-AFC-5)**

To whom it may concern,

I am writing as a concerned member of a science class at Saint Leo University in FLorida. We studied the proposal in class, and I personally question your rationale in approving the Ivanpah Solar Electric Generating System (ISEGS) project. The project, even with the mitigation measures described in the Decision Report, will have remaining significant impacts on the environment that out weigh the benefits.

Sincerely yours,

Elise Clyburn
