Dear Mr. Rowley:

Thank you for taking the time to write to us regarding the proposed Carlsbad Energy Center.

I have placed your letter in our files for that licensing proceeding so that all parties to the proceeding are fully informed about citizens' concerns.

If you have questions or would like further information about this proceeding or the Energy Commission's procedures for considering the licensing of power plants, please contact the Energy Commission's Public Advisor, Elena Miller at [emiller@energy.state.ca.us](mailto:emiller@energy.state.ca.us), or (916) 654-4489

Again, thank you for your interest and participation in the licensing process for the Carlsbad Energy Center.

Sincerely,

JACKALYNE PFANNENSTIEL  
Chairman
