Subject: Preliminary Staff Assessment
Carlsbad Energy Center Project

Dear Mr. Monasmith:

I have reviewed the cultural resources aspects of the subject Assessment on behalf of this committee of the San Diego County Archaeological Society.

Cultural resources mitigation measures CUL-1 through CUL-8 are comprehensive and appropriate. Our only suggestion would be to require an archaeological monitor to be present during any additional geotechnical test borings, the results of which could help guide the later monitoring program.

Thank you for affording SDCAS this opportunity to review and comment upon the Preliminary Staff Assessment for this project.

Sincerely,

James W. Royle, Jr., Chairperson
Environmental Review Committee
