Re: Submittal of Supplemental Confidential Information for Data Adequacy,
Ridgecrest Solar Power Project AFC (Docket No. 09-AFC-9)

Dear Ms. Jones:

On September 16, 2009, Solar Millennium submitted an Application for Confidential Designation for certain confidential cultural information related to its Application for Certification ("AFC"), submitted on September 1, 2009.

In a separate submittal being filed today with the CEC, Solar Millennium is filing responses to CEC staff's data adequacy requests. Certain of those responses reference the confidential cultural information being submitted with this letter. Pursuant to 20 C.C.R. § 2505(a)(4), Solar Millennium hereby requests that the supplemental information being submitted today be designated confidential, as well.

Under penalty of perjury, by my signature below I certify that the information being submitted today is substantially similar to the previously-submitted information, and that all the facts and circumstances relevant to confidentiality remain unchanged. I also certify that I am authorized to act on behalf of Solar Millennium in making this request.

Please contact me if you have any questions, and thank you for your assistance in this matter.

Sincerely,

Matthew Sanders 10/26/09
