ONLY LEGIBLE COMMENTS WHICH ARE RELEVANT TO THE ENVIRONMENTAL REVIEW OF THE PROPOSED RIDGECREST SOLAR POWER PROJECT WILL BE ADDRESSED IN THE STAFF ASSESSMENT/DRAFT ENVIRONMENTAL IMPACT STATEMENT (SA/DEIS). THANK YOU.

I fully support the need for clean/renewable energy.

I am very concerned about the impact of this project on the short and long term water supply for Ridgecrest and the entire Indian Wells valley.

Our local Community College - Cerro Coso has an outstanding and successful Solar Voltage installation. I would rather see this type of project - zero water impact and far less maintenance.

California needs clean power and water.

I will and do oppose this project.
