Subject: **Cassette tapes for Mandatory Status Conference**

On February 24, 2010 at 2:00 pm, the committee assigned to the Ridgcrest Solar Power Project, (Docket No. 09-AFC-9) held a Mandatory Status Conference.

Since a court reporter was *not* used, our office taped the conference on two cassette tapes. The cassette tapes will be kept in the Hearing Office until the project is terminated or when the Commission Final Decision is adopted.
