Dr. Lindsay:

We would be delighted to pass on your letter to the Committee; however, it was not attached. Could you please send us your letter? Thank you very much.

Marlena Elliott

 Dear Mr. Boyd:

Please pass on my letter to the Committee. I highly recommend allowing the Applicant, Solar Trust of America Development LLC, to redesign its proposed Ridgecrest Solar Power Project ("Project") to utilize only photovoltaic technology. I feel certain that a full life-cycle cost estimate will show that this is by far the low-cost power-generation option. Furthermore, I assume it would consume less of our valley's precious water supply.

Best regards,

Dr. Geoffrey A. Lindsay
