Dear Ms. Geffer,

I wanted to advise you that Supervisor Gall Steele, who is scheduled to speak during the public comment period on Monday, December 17th, has a time conflict that requires her to be in Oakland later that evening. She asked me to inquire whether the Committee would allow her to speak first at 6 o'clock so that she can make her other engagement.

I sent this request to the entire Eastshore list as I know other parties wish to have their public officials speak during the public comment period. If there are any objections, please contact me directly so that we can work out a mutually-convenient schedule. My contact information is listed below.

Thank you again for your consideration,

Andrew J. Massey
