Dear Ms. Gefter,

I am writing on behalf of intervener Chabot-Las Positas Community College District. I talked to the public adviser's office yesterday. Mike Monasmith recommended I contact you directly and in advance of the December 17, 2007, hearing if the District wishes to have its public officials speak at the beginning of the public comment period.

The District intends to have the following public officials speak and asks that they have priority over the general public: 1. Joel Kinnamon; and 2. Diane Zuliani.

The District anticipates that it may have additional officials speak; once we determine who, we will advise you. Please let me know if you need any additional information from me.

Thanks,  
Arlin
