Dear Mr. Solorio,

*Re: Request for Agency Participation in the Review of the Pio Pico Energy Center, Application for Certification (11-AFC-1)*

We have reviewed the Application for Certification, and we have the following comments:

**General:**

1. Analysis of traffic impacts on City facilities should be performed per the *City of San Diego Traffic Impact Study Manual*.
2. Any impacts to City transportation facilities should be mitigated by the proposed project.

Please contact me at 619-446-5493, or via email at [tfrench@sanidiego.gov](mailto:tfrench@sanidiego.gov) if you have any questions or require additional information.

Sincerely,
