**Subject:** Tierra/Eastshore Energy Plant

Dear CEC:

This is to let you know that as an informed member of the neighborhood (Eden Gardens) located near to the proposed Eastshore Energy Center; I ADAMANTLY oppose it. From all the meetings and reading I have done on this plant, all have opposed it; except Tierra and, so far, the remainder of the CEC.

Please, please, please do not inflict more pollution on an already over-polluted, and heavily populated area. I am asking that you vote NO on The Eastshore Energy Center.

Save our lives! Go to green, renewable energy, please.

Thanks you,

Karen D. Kramer
