**RE : Docket Number: 06-AFC-6, Eastshore Energy Power Plant**

Dear Commissioners,

We are disappointed that we cannot attend your meeting of October 8, 2008 due to schedule conflicts. However, the Association wishes to thank and acknowledge the Evidentiary Committee for all its time and effort in arriving at its preliminary recommendation.

We believe that the Eastshore Energy Center is not conducive to nor consistent with protecting public health and safety promoting the general welfare of the community, or preserving critical environmental quality. Therefore, we urge the Commission members to adopt the Presiding Member's proposed decision as revised.

Thank you for your consideration.
