**Re: Pio Pico Energy Center Project (11-AFC-1)  
Withdrawal of Application for Confidential Designation of Documents**

Dear Mr. Oglesby:

On May 25, 2011, Applicant Pio Pico Energy Center, LLC, submitted for your review and approval an Application for Confidential Designation of Documents ("May 25, 2011 Application") related to the Pio Pico Energy Center Project. The Submitted Information, which included confidential records related to the California Independent System Operator's ("CAISO") Cluster Phase I Interconnection Study (the "Study") for PPEC, must be re-evaluated to determine if certain portions of the Study can be redacted and submitted without the need for confidential designation.

To that end, we hereby withdraw our May 25, 2011 Application. Within the coming days, we will submit a new Application for Confidential Designation for only those portions of the Study that are deemed confidential.

Respectfully submitted,

A handwritten signature in blue ink that reads "Melissa A. Foster".
