APPLICATION FOR CERTIFICATION FOR THE
PIO PICO ENERGY CENTER

DOCKET No. 11-AFC-1

DOCKET

DATE	<u>July 12 2011</u>
RECD.	<u>July 12 2011</u>

REVISED COMMITTEE SCHEDULING ORDER

Background

On February 10, 2011, Pio Pico Energy Center, LLC submitted an Application for Certification (AFC) to the California Energy Commission seeking permission to construct and operate a nominal 300 megawatt (MW) natural gas-fired simple-cycle generating facility, the Pio Pico Energy Center (PPEC). The project site is on approximately 10 acres of disturbed land located on Alta Road at Calzada de la Fuente in the Otay Mesa area of unincorporated San Diego County.

The Energy Commission found the AFC data adequate on April 20, 2011, and assigned a Committee to conduct proceedings on the AFC. The Committee held a public Site Visit and Informational Hearing at Southwestern College Higher Education Center at Otay Mesa on May 16, 2011, to view the proposed site, discuss the review process, and identify issues that could affect the schedule.

On May 24, 2011, the Committee issued a Scheduling Order. It contained a list of events that must occur in order to complete the certification process. In that Order, the Committee asked that the parties immediately inform the Committee should anything occur that might affect the schedule.

On June 8, 2011, the Applicant filed a Project Refinement document reflecting the proposed relocation of a portion of the proposed, underground natural-gas line. This triggered the need on the part of Staff to update several studies such as traffic impacts and the cultural resources survey.

On June 27, 2011, Staff informed the Committee of the need for additional time in light of the AFC refinement, and submitted a proposed revised schedule. The proposed revised schedule would result in issuance of the Final Staff Assessment (FSA) approximately three weeks later than the originally scheduled date. The Applicant has not objected to Staff's proposal.

Accordingly, the Committee finds that the proposed revisions to the schedule are reasonable and necessary, therefore adopts Staff's proposed revised schedule. The

parties shall promptly inform the Committee via memo, e-mail, or telephone contact with the Hearing Officer, of anything causing inability to meet a deadline. Any such communications shall be promptly docketed as appropriate. The Committee will request status reports and schedule status conferences as necessary.
