**Re: Pio Pico Energy Center Project (11-AFC-1)  
Submittal of Supplemental Confidential Cultural and Paleontological Resources  
Materials**

Dear Ms. Jones:

Applicant Pio Pico Energy Center, LLC requests the enclosed materials be maintained as confidential as they are "subsequent submittals related to cultural or paleontological resources" related to the Pio Pico Energy Center Project. As directed in your February 22, 2011 and April 22, 2011 correspondence approving Applicant's Application for Confidential Designation of such materials, a certification under penalty of perjury that the new information is similar to that previously granted confidential designation is set forth by me and attested to based on my signature set forth below.

I declare under penalty of perjury that the information provided herein as related to cultural and paleontological resources evaluated for the Pio Pico Energy Center is substantially similar to the information previously granted such confidentiality on February 22, 2011 and April 22, 2011 by the Executive Director of the California Energy Commission.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Melissa A. Foster".

Melissa A. Foster
