Donna
I'm sorry that I have not had an opportunity to get back to you before now. Unfortunately, I have been dealing with unexpected issues that have taken up my time and kept me in the office. Related to that, we have not yet been able to sign a contract with the engineering firm to construct the plant. While I am available to meet with you next Tuesday afternoon or Wednesday (Nov 6 or 7), I will not be able to have a contract engineer available. I am willing to walk through the concept, but if you wish to wait for a (better) engineer I understand. Please let me know.
