**Re: Pio Pico Energy Center Project (11-AFC-1)
Additional Documents Submitted Under Existing Designation of Confidentiality**

Dear Mr. Oglesby:

On August 30, 2011, Applicant Pio Pico Energy Center, LLC submitted to you specific portions of the California Independent System Operator's ("CA-ISO") Phase II Interconnection Study Report as such relates to the Pio Pico Energy Center Project ("Submitted Information"). The Submitted Information was supplementary and substantially similar to that previously granted confidential designation. Enclosed herein are additional materials specifically requested by CEC Staff that relate to the Submitted Information. Applicant obtained the additional materials from the CA-ISO on October 5, 2011, and such materials are confidential CA-ISO documents. Therefore, Applicant requests that the CEC retain the enclosed materials as confidential until such time as the PPEC facility commences commercial operation.

I declare under penalty of perjury that the information provided herein as related to transmission system engineering evaluated for the PPEC is substantially similar to the information previously granted such confidentiality on July 25, 2011 by the Executive Director of the California Energy Commission.

Very truly yours,

Melissa A. Foster
