**Re: Pio Pico Energy Center Project (11-AFC-1)  
Additional Documents to be Included under Designation of Confidentiality**

Dear Mr. Oglesby:

On August 30, 2011, Applicant Pio Pico Energy Center, LLC submitted to you specific portions of the California Independent System Operator's ("CA-ISO") Phase II Interconnect Study Report as such relates to the Pio Pico Energy Center Project. The Submitted Information was supplementary and substantially similar to that previously granted confidential designation. Enclosed herein are additional materials related to that submittal. Applicant, therefore, requests that the enclosed information also remain confidential until such time as the PPEC facility commences commercial operation.

I declare under penalty of perjury that the information provided here in as related to transmission system engineering evaluated for the PPEC is substantially similar to the information previously granted such confidentiality on July 25, 2011 by the Executive Director of the California Energy Commission.

Very truly yours,

John A. McKinsey
