**Re: Pio Pico Energy Center Project (11-AFC-1)
Additional Documents to be Included under Designation of Confidentiality**

Dear Mr. Oglesby:

On August 30, 2011, Applicant Pio Pico Energy Center, LLC submitted to you specific portions of the California Independent System Operator's ("CA-ISO") Phase II Interconnect Study Report as such relates to the Pio Pico Energy Center Project. Enclosed herein is a revised Individual Project Report issued by the CA-ISO for the Pio Pico Energy Center project ("Submitted Information"). The Submitted Information is substantially similar to that previously granted confidential designation. Applicant, therefore, requests that the enclosed information also remain confidential until such time as the PPEC facility commences commercial operation.

I declare under penalty of perjury that the information provided here in as related to transmission system engineering evaluated for the PPEC is substantially similar to the information previously granted such confidentiality on July 25, 2011 by the Executive Director of the California Energy Commission.

Very truly yours,

A handwritten signature in black ink that reads "Melissa A. Foster". The signature is fluid and cursive, with a prominent initial "M" and "F".
