Subject: RE: PIO PICO ENERGY CENTER (11-AFC-1)-Applicant's letter to R. Renaud dated June 27, 2012 re CCA's Request for Extension in Deadline to File Petition to Intervene
Categories: Ready to Docket

Dear. Ms. Hellwig:

Sections 1207 (b) and (c) of Energy Commission regulations provide for the late filing of a petition to intervene, but provide that it may be granted only upon a showing of good cause. The Pio Pico Committee plans to ask Mr. Williams to file the petition to intervene immediately and in it set forth any reasons showing good cause for granting late intervention. Once the petition is filed the parties will have an opportunity to review it and file any response addressing the petition, after which the Committee will rule on the petition.
