Subject: Pio Pico PSA - Review of Aviation Discussion

Hi Dan. I'm resending the e-mail I sent on Feb. 23rd. Please call or e-mail with any questions. Thanks!

Hi Dan.

I'm Andrea Koch from the CA Energy Commission. I understand that Jim Adams talked with you about the proposed Pio Pico Energy Center and its potential impacts to aviation. I've taken over the Pio Pico traffic and transportation analysis, so Jim suggested I contact you.

Yesterday the Pio Pico Preliminary Staff Assessment (PSA) was released. It's a draft staff report, and we are soliciting public and agency comments on it. The full document can be found here:
<http://www.energy.ca.gov/2012publications/CEC-700-2012-002/CEC-700-2012-002-PSA.pdf>
(Warning: 15.2 MB file)

Would you be interested in reviewing the Traffic and Transportation section of the PSA, specifically the aviation discussions and Figure 2? It would be helpful to receive your feedback. I've attached the Traffic and Transportation section to this e-mail.

The deadline for submitting comments on the PSA is March 26th. We will address any comments in the Final Staff Assessment that will come at a later date. Thanks for your help, and please call or e-mail me with any questions.

Andrea
