Background

On August 5, 2011, Hidden Hills Solar Holdings, LLC, submitted an Application for Certification (AFC) to construct and operate the Hidden Hills Solar Electric Generating System (HHSEGS). HHSEGS would be located on approximately 3,277 acres of privately owned land leased in Inyo County, California, immediately adjacent to the Nevada border. The project site is approximately 18 miles south of Pahrump, Nevada, and approximately 45 miles west of Las Vegas, Nevada. HHSEGS would be comprised of two solar fields and associated facilities. Each solar plant would generate 250 megawatts (MW), for a total net output of 500 MW.

On October 5, 2011, the Energy Commission began review of the proposed HHSEGS AFC. The the Committee assigned to conduct these proceedings held a Site Visit, Informational Hearing and Scoping Meeting on November 3, 2011 in Tecopa, California to inform the public about the project and to invite public participation in the review process. At that hearing, the Applicant requested that the Committee conduct periodic status hearings. The Committee issued a Scheduling Order dated November 16, 2011 which scheduled five Status Conferences on a monthly basis beginning with the first Status Conference on January 24, 2012. This Scheduling Order cancels the May 22, 2012 Status Conference and adds three more status conferences. An agenda of the Status Conferences is attached to this notice. The Scheduling Order as well as notices and transcripts of the proceedings can be found at:

<http://www.energy.ca.gov/sitingcases/hiddenhills/index.html>

Purpose of Status Conference

This Status Conference is sponsored by the Energy Commission for the primary purpose of informing the Committee, the parties, and the public about the project's progress to date in the AFC process. The Status Conference is an opportunity to resolve procedural disputes and remove obstacles to the efficient processing of the application.

Closed Sessions

During any of the committee conferences or hearings, the Committee may, pursuant to Government Code section 11126(c)(3), temporarily adjourn the meeting to a closed session to deliberate on matters before the Committee for decision such as the preparation of a proposed decision, motions and other matters then pending before the Committee.

Public Adviser and Public Participation

Members of the public are welcome to attend and offer comments at the Status Conference. It is not necessary to be an Intervenor to participate in the public process. Comments may also be submitted in writing. Written comments may be submitted for posting on the docket for the proceeding by handing them directly to the Public Adviser, e-mailing them to publicadviser@energy.state.ca.us or to dockets@energy.ca.gov, or by U.S. Mail to:
