Subject: FW: PSA combined comment deadline and FSA timing for 11-AFC-2, Hidden Hills SEGS

Categories: Ready to Docket

Hi,

Please docket this email from The Nature Conservancy's Bill Christian?

Thanks!

Mike

Subject: PSA combined comment deadline and FSA timing

Mike—we support the extension of the comment period on the Preliminary Staff Assessment—we need the extra time to get comments coordinated. It would also seem prudent to extend the timing of the Final Staff Assessment, given the complex issues that were not fully covered in the PSA that will require resolution prior to the issuance of the FSA. Thanks, Bill Christian
