Subject: RE: Question about GP Land Use designation at Sandy Valley

Hi Jeanine. Our General Plan applies to the entire County, including lands managed by the federal government.

Josh

Subject: Question about GP Land Use designation at Sandy Valley

Hi Josh,

I imagine that the County's land use designation for the one BLM parcel in the Sandy Valley study area (a 121-acre parcel at the very SE corner of the county) does not apply to federal land. Could you please confirm that for me? General Plan Diagram 29 shows it with the "A" designation.

Thank you,
Jeanine
