Subject: Hidden Hills Solar Project - State Route 160 - State of Nevada

Hello Kent –

Thank you for the information regarding State Route 160. Just to confirm :

*The minimum LOS for SR 160 is LOS C.

*Based on your review a concern would be that the required storage for the left turn lane on SR 160 should be determined and should be lengthened if needed.

Did I capture the information correctly? Thank you for your assistance – much appreciated.

Candace M. Hill
Planner II
