Subject: Bus Stops - DVUSD- Hidden Hills Project

Hello Jim –

I am preparing the Traffic analysis for the proposed Hidden Hills Solar Electric Generating System Project. Part of the analysis looks at bus stops along the truck route.

Are there any bus stops near the project site along Old Spanish Trail Highway or in Charelston View? I have attached a map showing the site in relation to Old Spanish Trail Highway.

Good talking to you yesterday- thanks much for your assistance – much appreciated.
