To Whom it May Concern,

I strongly oppose the Quail Brush Power plant. My husband and I have been living in Santee for 39 years and the thought of a power plant going in within 5 miles of our home is appalling. We have health issues that would be impacted and become worse with the pollution that will be generated. Our granddaughters live even closer to the proposed site and would have a view of the smoke stacks and would likely hear the noise daily. Additionally, my home value would most certainly go down.

And what about all the children attending school at West Hills High school and Carlton Oaks Elementary school? And Mission Trails Regional Park? The power plant would ruin Mission Trails park - a gift to San Diego from the government.

I STRONGLY OPPSE THE QUAIL BRUSH POWER PLANT! PLEASE DENY INITIATION.

Best wishes,
 Wanda and Jim Twaddle
