RE: Opposition to Revised Land Use and Rezoning

I strongly oppose a (1) Boundary line adjustment (2) Community pLan amendment of open space (3) Rezone of RS -1-8 Residential zoning to industrial zoning with the East Elliot Community Plan and (4) Revision of the city's multi-species Conservation Program (MSCP) Subarea plan, all of which actions are intended to facilitate siting of a Power Plant.

Additionally I respectfully request the CEC to consider the "No Project Alternative" for Docket # 11-AFC-03 Quail Brush Generation Project Power Plant Licensing Case.

Respectfully,

Susan J. Zesky
