**Re: Statement of Opposition
City of San Diego Project #270282
California Energy Commission Case 11-AFC-03
Quail Brush Power Plant**

As a concerned citizen(s), I **strongly oppose this project and encourage the both commissions (SDPC & CEC) and San Diego City Council to reject:**

- (1) MHPA Boundary Line Adjustment,
- (2) Community Plan Amendment of Open Space,
- (3) Rezone of (RS-1-8) residential zoning to industrial zoning within the East Elliot Community Plan area, and
- (4) Revision of the City's Multi-Species Conservation Program (MSCP) Subarea Plan, all of which actions are intended to facilitate the siting of a Power Plant.

Additionally, I respectfully request the CEC to consider the **“No Project Alternative”** for Docket #11-AFC-03 Quail Brush Generation Project Power Plant Licensing Case.

Sincerely,

Theresa McCarthy
