RE: QUAIL BRUSH GENCO LLC GENERATION POWER PLANT

Honorable Mayor Voepel and Councilmembers:

I am writing to voice my support for your resolution in opposition to the Quail Brush Power Plant. I concur with the language of the resolution, which states that the City Council of Santee formally opposes the currently proposed location and design of the Power Plant unless all effects of the proposal are fully disclosed, analyzed, and mitigated with mitigation measures that reduce effects to a level of insignificance in compliance with the California Environmental Quality Act.

I highly regard the manner in which you approach all topics that will affect the citizens of Santee, and therefore have chosen to support you in your opposition.

Sincerely,

BRIAN W. JONES  
Assemblyman, 77<sup>th</sup> District
