Dear Mr. Solario,

The "Quail Brush Power Plant" (11-AFC-03) would violate numerous land use plans/regulations and would be an unacceptable eyesore and health risk to Santee and Tierrasanta. High noise levels would destroy the tranquility of a regional asset – Mission Trails Regional Park. **It must be rejected.**

Once again, the City of San Diego, having no regard for their neighbors in the City of Santee, want to put their harmful projects in close proximity to our schools and homes!!!!

Sincerely,

Marianne Lamoureux  
 Santee Resident and Concerned Citizen
