Hi,

My name is Ryan Hartegan and I am opposed to the building of the Quail Brush Power Plant (11-AFC-03) in Santee, CA where I rock climb and hike. It is adjacent to Mission Trails Park, a land used by many for walking, biking, enjoying nature, etc. High noise levels would destroy the tranquility of this regional asset. It would violate numerous land use plans/regulations and would be an unacceptable health risk and eyesore to Santee and nearby Tierrasanta residents. **It must be rejected.**

Thank you,

Ryan Hartegan
