**Subject:** "CEC record-Docket #11-AFC-03 Quail Brush Power Generation Siting Case."

---

To Whom It May Concern:

I am in great opposition of this proposed project. My husband and I live in Santee with our young son and I am very concerned about what this project would do to our environment, property value, and the continued growth of Santee. It is not an industrial area and this plant is not going to benefit the citizens surrounding it. Please find an alternative!!!

Thank you,  
Pamela McCarthy
