Subject: Peaker Plant in Santee

DATE MAR 13 2012RECD. MAR 19 2012

I'm writing to protest the location of a power plant near Santee. This is a bad place for a power plant. It is right near a regional park and a high school and a residential area. This is a bad idea. Won't the power companies be liable for lost property values? This could be a major legal headache. Please reconsider this location as we value this land tremendously and will fight to stop this project.

Sincerely,

Adrian van Ravesteyn
