DECLARATION of CIVIL RIGHTS VIOLATIONS

To:

The honorable members and staff of the following, California Energy Commission, City of San Diego Planning Commission, (SDPC) and City of San Diego Attorneys Office, Governor Edmund G. Brown Jr., Congressman Duncan Hunter, Mayor Jerry Sanders, Senator Dianne Feinstein Susan Davis, Senator Christine Kehoe, Senator Barbara Boxer,

Subject:

SDPC public meetings and the proposed Community Plan Amendment (CPA) to the East Elliot Community Plan District, for the purpose of siting the proposed Quail Brush Generation Project. The SDPC practice of restricting public comment on this matter "...to three (3) minutes **total per subject** regardless of the number of those wishing to speak..." (per SDPC Agenda item-1 March 15, 2012) is a violation of the Civil Liberties of the persons that would like to make public comment on the issue. This person respectfully requests the SDPC respect the Civil Liberties of each individual person that wishes to speak on the subject by providing the following: 1. The traditional and customary three (3) minutes per person for public comment that is the usual practice in proceedings of this nature, with special consideration because of the severity of the CPA impact upon some of the persons wishing to speak. 2. That the SDPC provide a procedure for those that wish to provide a written comment to the SDPC, please provide some method for the SDPC to receive the comment at the time of public meetings.

Thank you.

Respectfully, Mike Walker

Santee, CA 92071
