**DOCKET****11-AFC-3**DATE MAY 24 2012RECD. MAY 25 2012

Dear Mr. Solario,

We are writing to let you know we OPPOSE the Quail Brush Power Generation Plant. It appears to us that it would violate numerous land use plans/regulations and would be an unacceptable eyesore. The high noise levels would destroy the tranquility and ecology of the nearby Mission Trails Regional Park.

Please Don't allow San Diego Gas & Electric & Cogentrix Energy, LLC to destroy the natural beauty and quiet of Mission Trails Park.
