Subject: CEC record-Docket #11-AFC-03 Quail Brush Power Generation Siting Case -- OPPOSE

Mr. Solorio –

As a San Diego citizen who frequently hikes in Mission Trail Park, I ask that you reject any move to site a power plant in the East Elliott area north of Hwy. 52. San Diego County residents need the park to escape from urban life; indeed, it is full of hikers on weekday mornings when I frequent it. It is also an important wildlife corridor, and correctly set aside as park and open space.

Please choose the “No Project Alternative” and uphold the City of San Diego zoning rules.

Thank you.
