

Public Comment regarding the proposed Quail Brush Generation Project

I would like to make the following written comment. I understand that my comments will be docketed and may be posted on the Energy Commission's website and be available to the public.

I oppose The construction + operation
of The Quail Brush Generation Project
as a neighbor + environmental protector.

I am concerned about The impact on air
quality + resulting health impact to Those

in The area. I am concerned about

The impact on endangered species, especially

The quino checkerspot butterfly.
