

## Public Comment regarding the proposed Quail Brush Generation Project

I would like to make the following written comment. I understand that my comments will be docketed and may be posted on the Energy Commission's website and be available to the public.

I oppose The Quail Brush  
Generation Project - This is  
planning to be on the edge of  
a recreational park, childrens  
athletic fields, a high school,  
elementary; middle school. This  
will greatly impact Santee;  
its residence's. What are  
they thinking? Like hell  
they thought this through
