

Public Comment regarding the proposed Quail Brush Generation Project

I would like to make the following written comment. I understand that my comments will be docketed and may be posted on the Energy Commission's website and be available to the public.

I am a Santee resident and
I am opposed to ^{the} power plant.
I have had Lymphoma twice
~~at~~. It is known that environmental
factors are a cause of
Lymphoma, and I don't
want to have it again. I
love the beauty of Mission
Trails & have hiked there for
over 25 years. Please don't disturb it!
