Subject: CEC record-Docket #11-AFC-03 Quail Brush Power Generation Siting Case

I request the CEC stop the Quail Brush Power Generator project by choosing the No Project Alternative. Please also uphold the City of San Diego LORS (zoning rules).

It is crazy to install such a project at Mission Trails, which is not zoned for this, plus Mission Trails is supposed to be for us, the people, where we can safely hike and walk and use this area. I have been here since 1974 and I want Mission Trails to stay like it is.

Thank you.
