RE: **Sycamore Landfill Expansion**, Project # 5617
Quail Brush Power Plant, Project # 270282, CEC 11-AFC-03
Castlerock Subdivision, Project # 10046

Dear San Diego City Councilmembers,

Please vote against all three destructive proposals – Quail B Power Plant, 24-hour dumping at the Sycamore Landfill and destruction of west hills with rare vernal pools by the Castlerock subdivision. These proposals degrade our parks while threatening our health and community. Significant unmitigable Toxic Air Contaminant impacts, excessive noise, and destruction of scenic open space resources should not be allowed. If San Diego City needs to develop the above proposals do it in the middle of San Diego and leave the open space open. Changing open spaces to > dumping and pollution on the edge of Santee is not right. Please vote NO!
Sincerely,
Mary Farson-Collier
